As an Hourly Member of our Welding Department, your work requires you to operate automated welding equipment, and perform a variety of welding procedures such as Tig ,Mig and Mma. Taking responsibility, maintaining flexibility and safely performing multiple duties and tasks under stressful or hazardous conditions will lead you to success in our fast-paced environment.

RESPONSIBILITIES:

Marine Welder/Fabricator Position

- Perform fabrication work in accordance with customer contract requirements and specifications.
- Willingness to work in welding, cutting or paint department.
- Keep track of daily sessions per job by entering allocation of time, consumables and department status.
- Keep work area clean and organized.
- Perform work in accordance with Company's safety practices and procedures
- Operate heavy machinery.
- Operate automated welding equipment.
- Operate painting system.
- Operate overhead cranes and perform safe and efficient lifts of materials.
- Be a team player.
- Other duties, as assigned may not be related to job description.

Required Experience and Education:

- High School Diploma or GED
- Vocational/Technical schooling highly preferred.
- Marine certification related to this position preferred.
- Minimum 3+ years' experience required.
- Strong English speaking and communication required
- Spanish speaking and communication highly preferred.

Required Service and Interpersonal Skills:

- Maintaining flexibility and safely performing multiple duties and tasks under stressful, potentially hazardous conditions.
- Tendency to display endurance and capacity for a fast pace.
- Able to work independently at times and make sound decisions.
- Knows limitations and when to ask for help.
- The ability to stoop, crouch, pull, push, reach, hear, near vision, kneel, talk, stand, grasp and lift to 50 lbs. while working around moving machinery on a moving ship.

RMK MERRILL-STEVENSON

Attendance and Punctuality:

- Punctual to work; has good attendance; uses good judgment.
- Attends meetings when directed; follows company policies/goals.
- Understands need for adhering to set schedules and deadlines.
- Maintains 100% attendance, punching in/out within established guidelines (No Early Ins/Late Outs) and begins working on time.
- Uses Deputy Scheduling System (via app or iPad Kiosk) to punch in/out, manage schedule, request time off and communicate to manager regarding scheduling issues.
- Leaves for/returns from breaks on time. Punches out/in when leaving yard during breaks.
- Is always at assigned vessel or “on-task” except during break periods.

Communication:

- Uses correct language; speaks clearly; listens.
- Greets clients; is respectful; is courteous; has acceptable attitude.
- Expresses ideas and thoughts well verbally; exhibits good listening and comprehension.
- Speaks politely and respectfully with all members of the organization.
- Deals directly with co-workers to resolve misunderstandings; does not gossip or complain.
- Follows-up quickly and completely; keeps management informed of situations and outcomes.

*To support our Major Renovation, we are hiring
Experienced Marine Professionals in All Departments including
Marine Trades, Project Management, Shipyard Services and Facility Maintenance.*
